Dear A.,

Thank you for your gift to Mercy Corps!

Your generous gift is helping families affected by the devastating earthquake in Haiti.

Our emergency response team is in Port-au-Prince helping bring clean water to affected families, arranging trauma support for children and organizing programs that will pay local residents to clear debris and rebuild.

We invite you to go a step further: Get your friends, family and coworkers involved by creating your personal fundraising page on our site. Visit <http://www.mercycorps.org/fundraising>, follow the simple directions to set up an account, and build your own Haiti Earthquake fundraising page. We've got easy-to-use tools to help you spread the word. (And you can kick-start your efforts with this donation by putting it in your page's "Additional Amount" field.)

Our goal is to help families in Haiti recover what they've lost and build back better. Because building a better future is what we're doing for nearly 16.7 million people in more than 40 countries, from Afghanistan to Zimbabwe. Every day, we assist families in communities faced with some of the most difficult challenges of our time: hunger, lack of economic opportunity, conflict, access to clean water and education. We're helping these families work together, find solutions and reach their goals.

With your gift, you become a subscriber to our email newsletter, so you may want to add **newsletter@mercy Corps.org** to your address book. (Rest assured, we will not sell, rent or trade this information to a third party, and you'll be given the option to remove your name from our email list at the bottom of each newsletter.)

If you have any questions, please feel free to contact us at **1-888-842-0842** or at **donorservices@mercy Corps.org**.

Thank you again for your generous gift.

Sincerely,
